

Political Candidates' Signs

Board Policy on Political Candidates' Signs

UUCWI Board Policy

Approved October 18, 2004

Re-approved without change December 20, 2011

Applicable until revoked or amended

Drafted by Roy Bingman

Background:

The Board of Trustees receives requests from time to time for the placement of political candidate's signs on church property.

UUCWI is organized as a non-profit organization, and as such there are limitations on political activity in which the congregation may engage.

Congregation members have varied views on political candidates and issues.

Policy:

In view of the foregoing, it is the policy of UUCWI not to allow the placement of political candidates' signs on church property.
