

Earth-based Religious Exploration Committee

Approved by the UUCWI Board of Trustees, October 10, 2016

Purpose: To provide an Earth-based spiritual community for religious exploration to our membership and the broader community.

Nature: This is a standing committee.

Key Responsibilities:

- Provide ritual observances of pagan shabbats/wheel of the year for the congregation and the greater community
- Coordinate with the worship committee as necessary to provide Earth-based elements to Sunday Services as needed
- Prepare and review a budget as needed
- Build and maintain support for the Earth-based Programs within the congregation
- Network among Earth-based UUs; providing outreach of Unitarian Universalism to the broader Earth-based community
- Provide educational materials on Earth-based Religions for the congregation and the general public
- Encourage the development of theo/allogical and liturgical materials based on Earth and Nature-centered religious and spiritual perspectives
- Recognize contributions of staff and volunteers
- Create long- and short-term goals for Earth-based Religious Exploration
