

Hymn scores

- 10
- 9 singable, immediately accessible to a congregation
- 8
- 7
- 6 singable, but takes a few tries to learn
- 5
- 4
- 3 eventually singable, but not without a lot of learning
- 2
- 1
- 0 unsingable or unsuitable for congregational singing

Note: these ratings are only for the music, not the words -- and the general familiarity factor is included in defining singability

Hymn Ratings – for singability
